

# SKYNET

UL COMPUTER SOCIETY

## What we'll give you:

- A Shell account (we can install extra programs for you).
- A Gig of quality web-space (with MySQL and PHP) for:
  - Galleries (photos, videos, whatever)
  - Forums (for clans, friends, clubs, &c.)
  - Personal Sites (wanna start a web-comic or ad-free blog?)
- A place to stick lab reports and other college stuff.
  - No need to carry around a USB stick.
- Access to a network that we own and run, for students by students.

## Where we meet:

- Lunch
  - Wednesdays @ 1pm in The Stables
- Pints
  - Wednesdays @ 9pm in Javas

## What else do we do?

- Wavehunt
  - Run around campus with a laptop chasing a moving wireless network for fun and prizes.
- The Skynet Game (find old puzzles at <http://game.skynet.ie>)
  - A week of Puzzles to melt your brain (and win some prizes).
- Trips
  - In the past we've gone to CeBIT (Germany), LugRadio Live (UK), MIT (Boston, US) and we have more trips planned.
- Talks
  - We've had folk from Google, Intel, HEAnet, Redhat, Microsoft, Sun, Debian, Ubuntu, Oracle, Demonware, IBM and many more down to talk to us about what they do.

Interested? Meet up with us for Lunch or Pints or mail us at [accounts@skynet.ie](mailto:accounts@skynet.ie) for an account.

AGM: Monday Wk2 (Sept 15<sup>th</sup>) @ 5pm - ULSU
